

Billotte & Crockett

Amazingly strong vocals, powerful and smooth, make Justin Billotte and Dale Crockett a very well rounded combination. An excellent choice for any venue.

Take a listen to the Music Demo and you will quickly see exactly what we mean. Billotte & Crockett are equally at home on a concert stage as they are in a small restaurant, great for Casino's and nightclubs too.

The duo performs an acoustic show that includes favorite tunes from the past to the newest country hits. Billotte and Crockett know how to bring it, have fun, and make it happen. With Justin's smooth, country crooner voice and the ability to project his warm personality, mixed with Dale Crockett's subtle humor and vocal intensity they never fail to impress and entertain any audience.

Justin Billotte began writing and performing music for church where his monthly musical contribution to the congregation was a big hit. He quickly discovered the thrill of pleasing an audience and soon began performing at local coffee houses and special events.

As a freshman in college, he wrote, directed and starred in a musical "Eternity" which was performed by a branch campus of Ohio State University; drawing the largest audience in the history of that campus for a student-written production. His record remains unbroken to this day.

Justin is a new-traditionalist, bringing the legacy of country music to the latest generation of fans with a sound that is right on the money.

A natural showman in the traditional sense with a contemporary country sound that not only draws folks in, but continues to build a loyal fan following. He'll keep reeling in the fans and delivering quality song after quality song for many years to come.

Dale Crockett is a truly gifted singer/songwriter with strong guitar skills and brings great musical skill to the act.

A well rounded entertainer in his own right Dale Crockett is the musical back bone of Billotte & Crockett providing great lead guitar licks to a strong backing rhythm, making the act really shine.

A unique sound with strong full vocals, and a great mix of classics, favorites and contemporary songs Billotte & Crockett is a duo that really works. Let them work their magic for you and your audience.
