

Dynamic – Exhilarating – Versatile – Passionate

Dennie Hall hits the stage with style, intensity and exuberance, yet remains such a charming down home entertainer that he quickly begins to feel like one of your best friends. With an honesty in his voice that brings true life to his songs Denmie Hall makes you feel what he sings as much as hear it.

Perhaps it's the farming family background, or the years of hard work, or maybe it's the time spent "paying his dues". Whatever "IT" is, Denmie sure has it, in triplicate. This farm-raised Ohio native learned the value of hard work at an early age, helping his dad around the farm and learning the concrete trade. He applies this hard work ethic and strong values to his music and it sure shows.

Dennie has a strong sense of country and community and remains involved with his hometown of Grove-City, Ohio. Once a part time police officer, Denmie continues to stay in touch, playing on a local softball team and helping with charities.

Though Denmie Hall is definitely "New Country" it is clear that he is firmly rooted in the traditional Nashville sound. His attention to detail, and determination to keep his music honest, delivers an impact few of today's artists can match.

A full country band behind him, gives this 21st century singer a sound that reminds us why we fell in love with country music in the first place. His surprisingly natural character adds a dynamic to his performance that just draws you right in, and takes you along for the ride.

Dennie feels that country music should always tell a story, something that people can relate to, whether good or bad... "It's the story in the lyrics that count"

Take a listen to Denmie's album "Sweet Addiction" and you'll quickly have a new favorite. The yearning tones of "Sweet Addiction", the intensity of "Left That House A Wreck", the sadness and determination of "Full-time Father", the rowdiness of "Do It For The Girls", and the exuberance of "Round Here". You'll find yourself listening over and over and over, and anxious to hear more from this great new artist.
